Member, Assoc. of Connecticut Fairs

March 2026

Dear Sponsor:

The 93rd anniversary of the Cannon Grange Agricultural Fair is scheduled for Sunday, August 30th, 2026. Unlike previous years where we drew support from both concessions stands on our fairground and advertisements, this year our fairground is very limited. Nevertheless, preparations are underway for an outstanding year.

We invite your support the Cannon Grange Agricultural Fair by sponsoring one of our 6 Departments (Culinary Art, Crafts, Vegetables & Fruits, Flowers, Photography and Eggs). Your \$1,000 sponsorship will receive its dedicated rosette for first place, extensive exposure across both print and digital media platforms, accompanied by recognition on our sponsor highlights at the fairgrounds on August 30.

Located alongside the Norwalk River in the heart of Cannondale, our historic Grange Hall provides a relaxed and enjoyable atmosphere for the entire family. The 'Ag Fair' serves as the grand finale to Wilton's summer, attracting hundreds of participants who enjoy juried agricultural contests and exhibits, as well as exploring the various concessionaires and non-profit organizations. Organized and operated by volunteers, including Grange members and friends of the Cannon Grange, the Ag Fair showcases the authentic agricultural heritage of Fairfield County and celebrates Wilton's rural past.

We eagerly anticipate your participation as a new or returning sponsor of the 93rd Anniversary Cannon Grange Agricultural Fair. Thank you for your support!

Sincerely,

Douglas Shepherd – President, Cannon Grange 152 Inc.
